

FRIENDS OF KILLARNEY PARK

Outdoors Are For Everyone

FUNDING APPLICATION

PROJECT ELIGIBILITY

Friends of Killarney Park (FOKP) is a non-profit organization dedicated to supporting the goals of Killarney Provincial Park and its mandate for protection, preservation and education within the Ontario Parks system. As of Winter 2024, FOKP launched an *Outdoors Are For Everyone* (OAFE) Campaign and Fund in acknowledgment of the barriers that folks may experience when accessing outdoor recreation spaces. Our goal is to recognize the inclusivity of nature and welcome everyone with diverse lived experiences and identities to enjoy Killarney Provincial Park.

This initiative also presented us with an opportunity to make OAFE Funding available to other Organizations who are interested in partnering with us, support the OAFE Campaign, and feel that the goals of their projects are in line with our vision and mandate as an Organization.

Do you feel that your proposal aligns with our vision and mandate as an Organization, and the purpose of the OAFE Fund? Y / N

Although not always necessary for eligibility, will your project be occurring in the outdoor recreational space of Killarney Provincial Park? Y / N
