

FRIENDS OF KILLARNEY PARK RESEARCH PROJECT FUNDING APPLICATION

PROJECT ELIGIBILITY

Friends of Killarney Park (FOKP) is a non-profit organization dedicated to supporting the goals of Killarney Provincial Park and its mandate for protection, preservation and education within the Ontario Parks system. Eligibility for funding through FOKP is dependent on having a current, approved Research Authorization with Ontario Parks. The approval process, standard conditions for conducting research in provincial parks and conservations reserves, applications to conduct research, and requirements for final reports and data can be found [here](#). If the above conditions are met and your research is approved to be conducted in Killarney Provincial Park, your project is eligible for FOKP Research Project Funding.

Does your Research Project meet the eligibility requirements above? Y / N

PROJECT INFORMATION

Please provide the following information:

Organization:

Project Name:

Project Duration:

Primary Contact:

E-mail:

Phone Number:

Date:

FOKP conducts a raffle each year to raise money specifically for research project funding in Killarney Provincial Park. It is integral to the operation of the FOKP organization to inform visitors about ongoing research projects and how they will positively impact Killarney Provincial Park.

Please provide a short description of the research project to be conducted and how it will positively impact Killarney Provincial Park below:

PROJECT FUNDING PROPOSAL

FOKP is proud to support Killarney Provincial Park in their goals as they relate to protection and preservation, however, due to funding constraints it is not always possible to fully support a project or meet all project needs.

Please provide a breakdown of funding requests (description, cost, timeline, etc...) as they relate to the completion of your project, clearly distinguishing priority items:

Total Funding Request: \$_____

FOKP REQUIREMENTS

FOKP provides a monthly newsletter to a network of members, volunteers, and curious park visitors who value being updated on the progress of research projects in Killarney Provincial Park that they have helped support through the raffle or by donation. The following would be required on your part to contribute to supporter communication:

1. A short project description will be requested to include in the newsletter and on the FOKP website and social media as it aligns with Killarney Provincial Park goals.
2. Depending on the project duration, brief project update articles (approx. 200 words) and photos that clearly include FOKP funded supplies will be requested to include in the newsletter and on the FOKP website and social media as the project progresses.
3. A final project report (approx. 500 words) with photos will be requested upon project completion to include in the newsletter and on the FOKP website and social media.

Will your project commit to the FOKP requirements above?

Y / N

Additionally, FOKP hosts a Winter Weekend annually on family day weekend to celebrate membership and support of Killarney Provincial Park. In the past, they have had guest speakers attend this weekend to give a presentation on their FOKP funded research project.

Would you be willing to give a presentation on your research project at the next FOKP Winter Weekend or other FOKP event?

Y / N

Thank you for your commitment to research as it contributes to protection, preservation, and education in Killarney Provincial Park!

Please submit applications to jena@friendsofkillarneypark.com to be reviewed for funding approval.
